## EXPERIENCE PREMIER CONCIERGE SERVICES FOR MENTAL HEALTH AND ADDICTION RECOVERY

At Creative Wellness Consultants, we believe that true healing starts in the comfort and privacy of your own home. Our mission is to offer a concierge-driven, highly personalized approach to addiction recovery, mental health, and overall wellness—without compromising the quality of care. We understand that conventional treatment centers may not always meet the needs of individuals who value privacy, flexibility, or the ability to maintain their everyday routines.

Our At-Home Wellness Program is designed to bring recovery directly to you, delivering comprehensive care that aligns with your personal needs and lifestyle. This program is ideal for individuals who seek a more discreet, individualized experience, providing the flexibility to recover in a familiar environment while receiving world-class support.

## How It Works:

- **Seamless Integration with Your Life:** We bring the care to you, integrating mental health support, addiction treatment, and wellness strategies into your daily routine, so you can practice real-world recovery skills without the stress of transitioning from a treatment center.
- **Personalized, Concierge-Style Service:** Our all-inclusive concierge service offers tailored therapy, mental health care, physical health regimens, and lifestyle coaching to support your journey toward lasting sobriety and holistic wellness.
- **Comprehensive Care with No Compromise:** From therapy to nutrition, exercise, and mental health support, every aspect of your well-being is coordinated by expert clinicians to help you achieve recovery and thrive in life.
- **Privacy and Flexibility:** We prioritize your privacy, offering a discreet program that allows you to heal and grow in the comfort of your own home, with a team that ensures confidentiality and personalized care.

**Creative Wellness Consultants' At-Home Wellness and Recovery Program** offers a personalized, flexible, and discreet approach to recovery. Designed for those who prefer to heal in the comfort of their own home, our program provides the support and tools needed for long-term success. With customized care and expert guidance, we help you achieve lasting wellness, all while maintaining privacy and integrating seamlessly into your daily life.

# Our Services

- **Personalized Detox Programs**

Our expert clinical teams design personalized detox programs to safely and comfortably guide you through the withdrawal process. We prioritize your physical and emotional well-being, ensuring a smooth transition toward recovery.

- **Mental Health Interventions**

We specialize in offering comprehensive, trauma-informed mental health intervention services. Our team of experts, knowledgeable in various forms and modalities of treatment, works closely with concerned friends and family members to navigate mental health crises and facilitate a path toward stability and wellness. By collaborating with loved ones, we help create a structured environment that brings clarity and support to those affected by mental health challenges. Our interventions are designed to be transformative for both the individual in crisis and the entire family system.

- **Sober Transportation Services**

We offer reliable and discreet transport services to and from treatment facilities, medical appointments, and any other necessary destinations. Our goal is to provide seamless and stress-free travel arrangements.

# Our Services

- **Compassionate Companionship**

Our trained companions provide continuous support, offering emotional encouragement and practical assistance. Whether you need a listening ear or someone to help you stay on track, our companions are here for you. We specialize in companionship and coaching with trauma-informed experts who are meticulously trained to provide sensitive and effective support.

- **Access to a Global Network of Expert Clinical Teams**

Benefit from our extensive global network of leading clinical teams. We connect you with top professionals and cutting-edge treatments, ensuring you receive the best possible care, no matter where you are.

- **Strategic Intervention Services**

Our seasoned team employs the most effective elements of various intervention models to create a tailored, trauma-informed approach. Our interventions support both the individual struggling with addiction and their entire family system, ensuring long-term healing and recovery. We offer a minimum of six months of continued support following the intervention, providing a pathway to sustained wellness for everyone involved.
